

Student Declaration

I, **Sajjan Pawar** (PRN 124B2B037, CS), declare that the project '**AUTOSAR HLD Document Analysis Assistant using RAG with Citations**' is my own work. The input data is synthetic and contains no real, confidential or copyrighted company or standards content. Any tool, library or model I used is declared in the technical report. I understand that I must be able to explain my code, design choices, evaluation results and limitations.
